

ANNOUNCING THE NORTH AMERICAN TOUR OF

# BODIES

## THE SCIENCE WITHIN

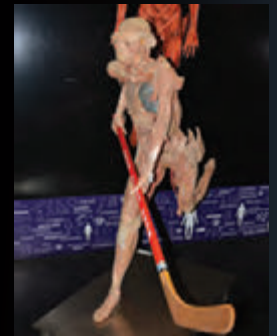

OPENING FALL 2026

### A WORLD-RENOWNED EXHIBITION COMING TO YOUR VENUE!

Seen in North and South America and Europe by more than five million people in over 60 cities, the eye-opening **BODIES – the Science Within** exhibition makes its USA debut in Fall 2026 and is now available for bookings at your convention center, arena, or museum. This unparalleled exploration of the human body offers an unforgettable educational and engaging experience for visitors of all ages.

### WHY HOST BODIES – THE SCIENCE WITHIN?

- **Proven Success:** A globally recognized and respected exhibition with a track record of high attendance and positive reviews.
- **Educational & Engaging:** Provides a unique and fascinating look inside the human body, perfect for families, students, and lifelong learners.
- **Turnkey Operation:** Flexible booking options and support from experienced professionals make hosting BODIES a seamless process.
- **Marketing Support:** Co-promotion opportunities available to maximize your reach and drive ticket sales.

### PRESENTATION REQUIREMENTS:

- **Space:** 9,000 – 12,000 sq. ft.
- **Staffing:** Minimal staffing required (one ticket taker and one crowd control/guide).
- **Ticketing:** Utilizes a dedicated ticketing service for efficient and accurate sales tracking.
- **Booking:** 4-8 week engagements.
- **Financials:** Co-promotion deals are available; self-presentation with a guarantee if preferred.

### READY TO BRING BODIES TO YOUR VENUE?

If you're interested in hosting **BODIES – The Science Within**, please provide the following information:

- **Availability:** Submit your available dates between September 2025 thru 2028.
- **Local Market Analysis:** Has a similar exhibition been displayed within a 75-mile radius?
- **Past Performance:** Have you hosted other walk-thru or immersive exhibits? If so, please provide the number of weeks, total tickets sold, and gross dollar sales.
